## One Case One Meal

For each case of Elara products you purchase, we provide a meal to an individual at risk of going hungry. Elara donates the cash equivalent of a meal to food banks that are members of the Feeding America network. Help us change the statistics!

Every day, tens of millions of men, women and children throughout America struggle with hunger. Many are hard working adults and seniors who can't make ends meet and are forced to miss meals. Hunger in children is a staggering 17 million alone i.e., kid's living in food insecure households.
