

Frozen Dessert & Frozen Drink Syrups

Rice & Company is the flavor behind the leading frozen dessert industry, with a solid foundation in the development of Italian ice and frozen beverage syrups.

Our bases are a blend of the finest fruit juice concentrates, purees, fruit acids, and flavors available. They will give your frozen desserts and beverages a delicious, refreshing flavor with a smooth finished product consistency.

Available in a wide variety of flavors, including our top-selling Mango, as well as traditional flavors such as Strawberry, Raspberry, Margarita, Lemon, Blue Raspberry, and the slightly more exotic like Passionfruit, Horchata, and Pumpkin Cream.

Specialty & Shake Syrups

Our chocolate syrups use a blend of only the finest imported Natural and Dutch cocoa powders and they are extremely versatile.

Rice also offers a variety of Specialty Syrups and Milkshake Bases. Our syrups are made with high quality ingredients, including fruit pieces and fruit juice concentrates, creating the deluxe beverage or shake to suit your menu.

Bakery Fillings & Spreads

As a versatile specialty food manufacturer, I. Rice also supplies a wide variety of bakery fillings, flavors, coatings, and variegates. Our breadth of product covers it all from blueberry filling chock full of wild blueberries, to all-natural chocolate ganache, and even a bake stable dulce de leche filling.

Products Overview

For more than 125 years I. Rice & Co. has been the “taste” behind many leading brands in the commercial baking and frozen dessert industries. Simply put, for a wide range of markets, our products have become the industry standards.

Choose from our variety of current products or allow our expert team to develop your own custom product offering. I. Rice & Company is the custom solution provider for your dessert and beverage menus. Our capabilities include kosher, HFCS-free, all natural, and gluten-free.
