Our products list includes:

Cutlery

Quality cutlery is a staple of any great restaurant. MDSI can provide any material, size, weight, and color cutlery that you may desire. We can offer cutlery to your exact specifications too. MDSI's cutlery is made from the finest materials and is always competitively priced.

Bags

Sizes can be customized to fit your particular application. If you have a need to display your logo, custom printing is also available.

Cups

If you need a 2oz soufflé, 44oz plastic cup or custom sized carrier, MDSI can supply your needs. Our cups are of the highest quality and can be made from all plastics. Custom printing/sizes are available as well.

Gloves

We can provide gloves that address economical needs, quality control, and food safety. Our selection includes poly, synthetic, vinyl, latex, nitrile and blends of these materials. In addition, our gloves are specialized through custom packaging, private labeling and alternative case packs.
