Food Service Solutions

IDEATION

Drink Carrier

This unique bag can hold two 8 oz. to 32 oz. drinks allowing customers to carry two drinks with one hand – and it fits nicely into most vehicle cup holders. So, no more cardboard trays and no more spills!

- Save Up to 50% vs. Fiber Trays
- Increase sales by marketing two drinks in one hand
- Standard size drink carrier holds two 8 oz up to 32 oz cups. XL Size holds cups up to 64 oz.
- Unique handle design ensures level carrying of one or two cups
- Carry two drinks with one hand
- Prevents leakage and keeps condensation contained
- Creates less waste
- Less expensive and smaller cube than paper or pulp trays
- Travels well in vehicle cup holders
- Save inventory space - 66% more cups with 1/3 the space allocation

Kitchen Prep

Sher-Mitt™ Recommended by health departments, this unique easy-on, easy-off mitt can be used to protect gloves or naked hands from cross contamination when handling uncooked meat, poultry and fish.

Since 1970 Pak-Sher has provided innovative solutions to chain restaurants. Pak-Sher offers the most extensive line of food service carry out bags and the highest quality printing available in the marketplace today.

Carry Out

From small single sandwich bags to every size and shape of take-out container and party trays for catering, Pak-Sher has the right size and style bag to fit your carry out and catering program.

Bakery & Deli

Pak-Sher's variety of bakery bags, deli bags and interfolded deli sheets, are the perfect choice for supermarkets, delis and bakeries. Stylish stock designs will give your deli or bakery products that upscale look.

Kitchen Prep

Keep your prepared food fresh, prevent cross-contamination and reduce prep and clean-up time with Pak-Sher's kitchen prep film products. Portion bags, labels, liners, lid covers and signature Sher-Mitt combine to provide you with the complete package for your kitchen and food prep areas.
